

Newsletter: Friday 15th November 2024

Father Colin was with us on Monday to celebrate the Parish Mass, it was wonderful to welcome our Reception children to Mass for the first time – we were all incredibly proud of them and how they sat and listened so well. We stopped and held silence along with the rest of the nation on Monday in remembrance of those who had lost their lives in the World Wars and other wars and conflicts since. On our Poppy display in school the children have written the names of people we would like to remember and pray for during the month of November.

Mr Brady has been in and out this week with two sports festivals to attend as well as taking the ski group to the Chill Factor for their taster session before they head off to the slopes in January, all children have been excellent ambassadors for our school and have behaved exceptionally well as we would expect.

The children looked amazing in their odd socks on Tuesday to mark Anti-bullying week. We were also able to welcome B Tales with their Anti-bullying presentation – I really think the message about choosing respect was brought home. Miss Douglas led our Anti-bullying assembly yesterday and again reminded the children about respect and choosing respect. Let's hope that this will continue to be repeated as the week comes to a close.

Representatives of our School Council were at the Liverpool School's Parliament this week – preparing for UNICEF's World Children's day next week – they've been filming content for the City Council's Social Media – watch this space!! Mr Howell, our Chair of Governors was in attendance with the Lord Mayor of Liverpool who I know was very excited to meet our children as he'd heard so much about all that we get up to. Thank you to all our children who contribute towards our Rights Respecting Schools Team and to Mrs Rawlinson for all the work she does with them too. I'm sure you'll hear more about World Children's Day next week.

Year 3 have enjoyed their day at the World Museum as part of their Egyptians topic. Thank you to the parents who joined the visit and made it possible. Early Years have also enjoyed their Dinosaur day in school today with a very interesting visitor -think we may have some future paleontologists in our school.

Next week is Road Safety Week – and we'll be sharing key messages about keeping safe to and from school. Please have a look at the resources that are available online:
<https://www.brake.org.uk/road-safety-week/resources-for-everyone>

The diary is full again next week – alongside the usual teaching and extra-curricular activities Y4 will be Audio Editing, we have a Romans workshop and an Anglo-Saxons workshop and Year 2 are off to the Safari Park! I will be attending the new Prayer & Liturgy Directory Launch with Miss Douglas as we look to continue to enhance the prayer life of the school and help develop our children spiritually.

During November the church prays for those people who have died. And so we pray together:
Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May their souls and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen

I hope you have an enjoyable weekend!
